The Azalea Two

The classic brick and shingle cottage entails a large covered porch upon entrance. Once inside, you will find a formal dining room that opens into the spacious kitchen and family room. A large guest suite resides at the front of the home with its own personal bath. To the rear is the master suite that opens to a master bath with large walk-in closet. From the rear entrance, you will find a back stair leading to the upper level with two large bedrooms that share a bath.
